This home is a rare find on the Auburn University Club 11th fairway! Beautifully landscaped with a gorgeous backyard overlooking the golf course! The open floor plan is so welcoming. Enjoy sitting around the fireplace in your great room or on your large screened in porch. The kitchen is a chef's delight. A double oven and a 5 burner gas cooktop along with counter space and storage galore! The 3 downstairs bedrooms include the master suite on one side of the house with the other two sharing a bathroom with their own vanity. The formal dining room has a coffered ceiling, designer wallpaper, wainscoting and hardwood floors that run through the whole living area. The wide plantation shutters are on every window in the house. The 4th bedroom is on the second floor and has access to a full bathroom. Your laundry room is accessed through the master bedroom or the hall. Smooth high ceilings, heavy crown molding and wide base boards grace the entire home. This elegant home has been well loved. The kitchen has beautiful quartz countertops and soft close drawers and cabinets. Under counter lighting. Quartz counter tops and marble floors grace the master bathroom.
